District Testing and Assessment Calendar 2023-2024

MCA Reading, Math, and Science assessments will be administered online unless modifications are required for special programming. MTAS Reading, Math, and Science assessments are administered in paper format. All MCA/MTAS student reports will be shared with parents via mail or conferences in the fall of the subsequent year.

MCA/MTAS Tests - These tests help schools and districts measure student progress toward the state's academic standards. The tests are given in grades 3-8, 10 and 11. The science MCAs are administered in grades 5, 8 and 10th grade.

FAST Tests - Local Standardized Assessment used to benchmark and monitor student learning and inform teacher instruction.

Civics Test - The civics test questions relate to foundational ideas in civics education and must be passed to graduate high school.
